

Anondita Medicare Limited Announces Major Capacity Expansion of Approximately 1,360 Million Pieces Per Annum at Noida Facility (Additional Noida Unit)

Mumbai, January 30, 2026: Anondita Medicare Limited (NSE – SME: ANONDITA), currently operating with an installed manufacturing capacity of **562 million pieces per annum**, has approved a significant capacity expansion of **approximately 1,360 million pieces per annum** at its upcoming manufacturing facility in Noida.

The proposed expansion is aligned with the Company's strategy to cater to rising market demand, strengthen its order execution capabilities, and enhance overall production efficiency.

The total estimated capital outlay for the project is approximately ₹75 crore, which will be funded through a combination of internal accruals and/or debt, while maintaining prudent financial discipline.

As part of the phased implementation, approximately 250 million pieces of annual capacity have already under trial production. The remaining capacity addition is expected to be completed in stages up to FY 2026–27.

Management Commentary

Commenting on the development, **Mr. Anupam Ghosh, Managing Director, Anondita Medicare Limited**, said: *"The capacity addition at our Noida facility is a strategic and well-planned step, driven by sustained growth in customer demand and anticipating huge orders both domestic and international in future. The phased addition of approximately 1,360 million pieces per annum will enable us to scale operations efficiently while improving operational leverage. The proposed investment of approximately ₹75 crore will be financed through a judicious mix of internal accruals and debt, ensuring financial discipline and long-term value creation for stakeholders."*
