Anondita Medicare sponsors promising soft tennis player Shanish Mani Misra at international tournament in Korea

Supported by Anondita Medicare, Indian soft tennis player Shanish Mani Misra represents the country at NH Nonghyup Bank Incheon Korea Cup International Soft Tennis Tournament 2026

New Delhi, 17th June 2026: Anondita Medicare Limited has announced its association with Indian soft tennis player **Shanish Mani Misra** for his participation in the **NH Nonghyup Bank Incheon Korea Cup International Soft Tennis Tournament 2026**. The tournament started on 15th June and will continue till 22nd June 2026 at the **Incheon Yeorumul Tennis Stadium in the Republic of Korea.**

Anondita Medicare has sponsored Shanish as he competes with international players at the tournament. The prestigious association is part of the company's efforts to support Indian athletes participating in global sporting events.

For **Shanish**, representing India at the tournament is another important step in his sporting career. **With Anondita Medicare's support, he is competing on an international platform alongside leading soft tennis players from different countries.** His selection comes after consistent performance, training and years of commitment towards the sport.

Commenting on the association, **Mr. Anupam Ghosh, Managing Director, Anondita Medicare Limited** said, ***"At Anondita Medicare, we believe that supporting dedicated talent is important for encouraging India's presence across global platforms. Shanish Mani Misra's journey reflects the commitment, focus and determination required to compete at an international level. We are pleased to support him as he represents India at the NH Nonghyup Bank Incheon Korea Cup International Soft Tennis Tournament 2026 and wish him the very best for the tournament."***

The association highlights Anondita Medicare's efforts to encourage Indian talent and support individuals representing the country at international platforms. The company remains focused on initiatives that promote dedication, performance and excellence.

Anondita Medicare manufactures male and female condoms under its flagship "COBRA" brand and operates its own manufacturing facilities. The company continues to expand across domestic and international markets while investing in manufacturing capacity, automation and product diversification.
