Anondita Medicare Limited Secures First Export Order Worth ₹43.14 Crore Under South African Government Condom Tender Program

Mumbai, May 30, 2026: Anondita Medicare Limited (NSE - SME: ANONDITA) a leading manufacturer of condoms and sexual wellness products operating under its flagship brand "COBRA", has secured its first export purchase order worth approximately **₹43.14 Crore** under the South African Government condom procurement program.

Order Details

Anondita Medicare has received its first export purchase order worth approximately **₹43.14 Crore** from **Supra Healthcare Johannesburg (Pty) Ltd., South Africa**, for the supply and delivery of male condoms under the South African Government condom procurement program. The order comprises supplies equivalent to **50 containers (40-foot containers)** and is expected to be executed by **September 30, 2026**. This milestone marks the commencement of the Company's supplies under the approved South African tender framework and further strengthens its export business.

Management Commentary

Commenting on the development, **Mr. Anupam Ghosh, Managing Director, Anondita Medicare Limited**, said: *"Securing our first export purchase order worth approximately **₹43.14 Crore** under the South African Government tender program marks a significant milestone for Anondita Medicare. The order for the supply of **male condoms equivalent to 50 containers** validates our manufacturing excellence and global quality standards. We believe this achievement will further strengthen our export business and enhance our presence in international institutional markets."*

About Anondita Medicare Limited

Anondita Medicare Limited is an Indian manufacturer of **condoms and sexual wellness products**, operating its flagship brand "COBRA." The company operates its own manufacturing facility and follows a quality-driven and compliant production model.

Led by Mr. Anupam Ghosh, who brings over 25 years of experience in the healthcare and contraceptive products industry, the company benefits from strong industry expertise, entrepreneurial vision, and execution capabilities.

With a strong domestic presence, particularly in North India, Anondita Medicare is actively expanding across India and international markets. The company's focus on automation-led capacity enhancement and innovative patented female condom products positions it for scalable growth and long-term value creation.
