Anondita Medicare Limited- Update on Qualification as Vendor under South Africa Government Tender (RT75-2025)

Mumbai, April 28, 2026: Anondita Medicare Limited (NSE - SME: ANONDITA) has been qualified as a vendor (supplier) by local entities in South Africa ("South African Local Entities") **under the Transversal Contract RT75-2025 ("Tender"),** issued by the National Treasury, Republic of South Africa.

The Company holds SABS Certification (SANS 4074:2017) from the South African Bureau of Standards (SABS).

This vendor qualification follows the successful completion of due diligence, audit processes, and regulatory approvals. As part of the process for inclusion as a qualified vendor for supply to the South African Government, a final audit was conducted by SABS last week to assess the Company's manufacturing capacity, product quality, and compliance standards.

Long-Term Government Supply Opportunity in South Africa

The contract period spans from November 1, 2025 to October 31, 2030 under the Transversal Contract RT75-2025 and serves as a **procurement framework for public healthcare requirements** in South Africa.

Strategic Significance

This qualification represents a key step in the Company's international expansion and strengthens its positioning in global public healthcare supply programs. Upon formal inclusion as a qualified vendor, the Company will be eligible for the supply of products to the South African Local Entities awarded under the tender in accordance with the procurement framework. The Company will continue to update stock exchanges on any material developments in this regard.

Management Commentary

Commenting on the development, **Mr. Anupam Ghosh, Managing Director, Anondita Medicare Limited**, said: "*Being **qualified as a vendor under the Transversal Contract RT75-2025** marks an important development for Anondita Medicare Limited. This achievement reflects our manufacturing capabilities, adherence to global quality standards, and successful completion of regulatory and audit processes.*

We believe this development strengthens our presence in international markets and supports our long-term growth strategy."
